

SUSTAINABLE FOREST MANAGEMENT BY BUREAU VERITAS

CONTROLLING THE ORIGIN AND LEGALITY OF WOOD

Guaranteeing the origin and legality of wood from forestry operators to combat deforestation and smuggling.

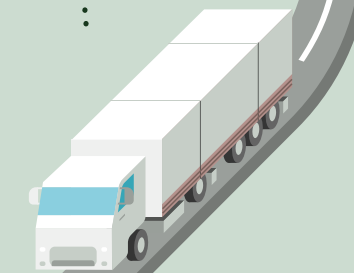

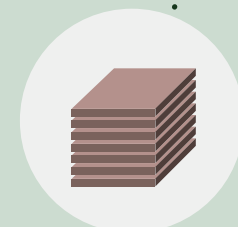

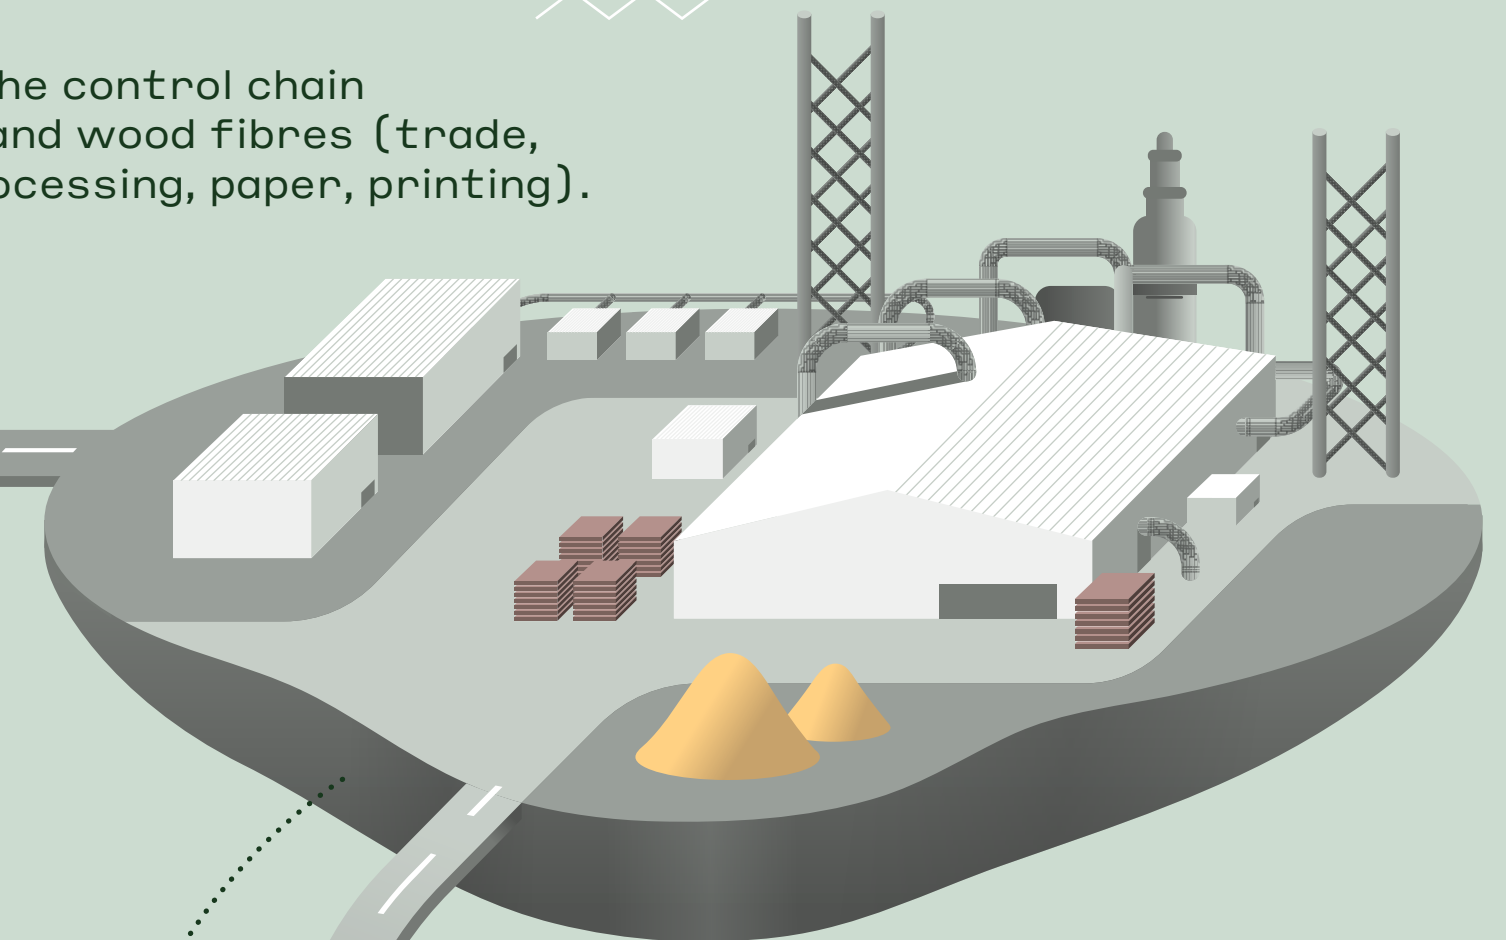

CERTIFICATION OF BUILDING MATERIALS

Guaranteeing the sustainability of wood used in the design of frameworks and structures.

TRACEABILITY OF FOREST PRODUCTS AND SPIN-OFFS

Tracing the control chain of wood and wood fibres (trade, wood-processing, paper, printing).

CERTIFICATION OF WOOD WASTE DERIVED FUEL

Certifying shred derived from wood packaging (pallets, drums, wood packing) supplying boilers and combustion plants.
